Yeah, this is the most recent briefing doc that I referred to. Between this, the ppt presentation prepared for this briefing, and the referral package, I believe I have all the materials I need to pull together the briefing package. I will plan to get it to you at some point tomorrow if that is OK with you.

Thanks, Nicole.

Carter, is this the Beauvais briefing paper that you mentioned this morning?

Just found this. It seems like a good document that Carter can work from as he pulls info together for Tuesday's briefing.

My sincere apologies for the numerous revisions circulated. The attached copy contains one further edit recommended by Jason to clarify the point raised by Elizabeth. I believe this now has full concurrence from both ERS and Wetlands.
